Foreword

I am pleased to introduce Bennett's Projects, Infrastructure & Construction capabilities to you.

When a client enters into a relationship with Bennett, we place your business and your legal issues at the forefront of everything we do, drawing on our strong internal pool of expertise to deliver you the best commercial outcomes. We work together on a taskforce basis on all of our matters, bringing together a cohesive and dedicated team of legal practitioners focused on achieving your desired commercial outcome. This may involve bringing together the requisite mix of expertise across our various practice areas.

The enclosed capability statement demonstrates the expertise of the collective team at Bennett and our market leading experience in the area of commercial litigation and dispute resolution.

We strongly value a successful and long term relationship with our clients, and look forward to a long working relationship with you.

If you have any questions concerning our capability statement please contact me or Martin Bennett, Founding Principal, Bennett.

Kind regards

Nathan Ebbs
Managing Principal

Bennett is Perth’s leading commercial dispute resolution and litigation firm. We were recognised in the 2018, 2019, 2020, 2021, 2022, 2023, 2024, 2025 and 2026 editions of Doyle’s Guide for Western Australia. Bennett’s high performing team has the capability and experience to effectively handle the largest and most complex litigation and commercial matters across the employment, mining and resources, defence, aerospace and technology, financial services, agribusiness, construction, media and defamation sectors.

Bennett is a Western Australia-based commercial law firm focused on delivering practical, outcomes-driven advice to clients operating in complex and highly regulated environments.

We work closely with clients across the projects, infrastructure and construction sectors, combining legal with a understanding of commercial drivers, risk allocation and project delivery. Our approach is defined by responsiveness, clarity and a commitment to achieving strategic outcomes at every stage of the project lifecycle.

Our team offers an integrated service across front-end advisory, contract structuring and drafting, project delivery support and disputes. This enables us to provide seamless, end-to-end legal support. We act for principals, contractors, developers, consultants and government, with experience spanning major infrastructure, defence, resources and property development projects.

With a strong presence in Western Australia and growing capability in South Australia, Bennett is well positioned to support clients on both local and national projects, particularly those connected to strategic infrastructure and defence supply chains.

We pride ourselves on being commercially focused, accessible and trusted advisors, working as an extension of our clients’ teams to manage risk, unlock opportunities and deliver successful project outcomes.

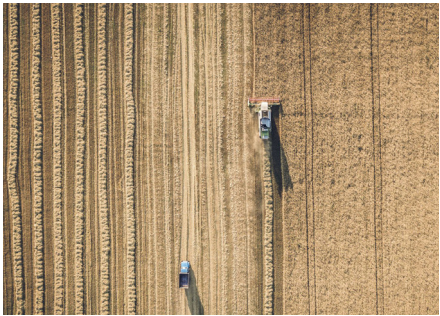

When you engage with Bennett, we take the time to understand your objectives, risk profile and what success looks like for your project. We apply our proven methodology, The Bennett Way, tailoring our approach to suit your specific circumstances. From the outset, we establish clear communication, align expectations and resource matters effectively to ensure efficient delivery. Our focus is not only on resolving immediate issues, but also on providing forward-looking advice to support long-term project success and minimise future risk.
