Foreword

I am pleased to introduce Bennett's agribusiness capabilities to you.

When a client enters into a relationship with Bennett, we place your business and your legal issues at the forefront of everything we do, drawing on our strong internal pool of expertise to deliver you the best commercial outcomes. We work together on a taskforce basis on all of our matters, bringing together a cohesive and dedicated team of legal practitioners focused on achieving your desired commercial outcome. This may involve bringing together the requisite mix of expertise across our various practice areas.

The enclosed capability statement demonstrates the expertise of the collective team at Bennett and our market leading experience in the area of commercial litigation and dispute resolution.

We strongly value a successful and long term relationship with our clients, and look forward to a long working relationship with you.

If you have any questions concerning our capability statement please contact me.

Kind regards

Nathan Ebbs
Managing Principal

Bennett is Western Australia's leading commercial litigation and dispute resolution firm, with a strong capability in advising agribusiness clients on complex commercial and strategic matters. Founded in 2011, Bennett is at the forefront of Western Australia's legal landscape, with a clear and growing focus on the agribusiness sector.

Bennett has a close affinity with the agricultural industry across broadacre farming, grain, dairy and livestock production, viticulture, aquaculture and horticulture (including fruit), as well as processing, agri supply and inputs, crop protection and forestry sectors. We understand its unpredictability, challenges, and opportunities. Furthermore, future growth in the agribusiness sector via ownership, opportunities for innovation, advancing operations and the attraction of investments are all factors that give rise to a need for dedicated legal services.

Our agribusiness lawyers have the knowledge and experience to protect and advance the interests of primary producers, across a range of family, business and corporate structures.

We take the time to understand your legal situation, assess what is required, and provide clear, practical guidance to achieve resolution. We work with you through a clear and structured approach – *The Bennett Way* – tailored to your circumstances, ensuring effective communication, aligned expectations and a well resourced path to resolution. If we partner together we establish a clear process of communication, we align on expectations and ensure we diligently work to resource your legal issue.

Once engaged, we provide timely and considered legal advice in relation to the issue at hand, together with ongoing guidance and planning to ensure your business and family are well placed to minimise future legal risk.

We are committed to giving you the peace of mind to focus on your business, while we look after your legal issues.
