# Foreword

I am pleased to introduce Bennett's Mining, Resources, Energy and Environmental, Social and Governance (**ESG**) capabilities to you.

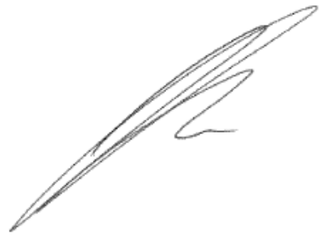

When a client enters into a relationship with Bennett, we place your business and your legal issues at the forefront of everything we do, drawing on our strong internal pool of expertise to deliver you the best commercial outcomes. We work together on a taskforce basis on all of our matters, bringing together a cohesive and dedicated team of legal practitioners focused on achieving your desired commercial outcome. This may involve bringing together the requisite mix of expertise across our various practice areas.

The enclosed capability statement demonstrates the expertise of the collective team at Bennett and our market leading experience in the area of commercial litigation and dispute resolution. Trusted advisers to the resources sector. Disputes. Governance. Investigations. Strategic Risk. When the outcome matters, clients turn to Bennett.

We strongly value a successful and long term relationship with our clients, and look forward to a long working relationship with you.

If you have any questions concerning our capability statement please contact me or Dalitso Banda, Principal, Bennett.

Kind regards

Nathan Ebbs
Managing Principal

## Strategic lawyers for critical issues, complex disputes and high-value opportunities.

Western Australia is home to many of the world's most significant mining and energy projects. In this environment, legal issues rarely exist in isolation. They affect investment, governance, reputation, project delivery and enterprise value.

Bennett advises mining, resources and energy participants across the full commercial lifecycle. Our work encompasses corporate and commercial transactions, project and investment structuring, joint ventures, commercial contracting, governance, regulatory compliance and ESG, as well as complex disputes and investigations.

We work with listed and private companies, boards, directors, shareholders, investors, financiers and industry participants to facilitate transactions, manage commercial risk, protect enterprise value and resolve critical business challenges throughout Australia and internationally.

**When the stakes are high**

Clients engage Bennett when:

- control of a business or project is in dispute;
- shareholders, directors or joint venture partners are in conflict;
- regulators commence investigations or enforcement action;
- governance failures threaten value or reputation;
- projects encounter significant legal or commercial risk; or
- complex disputes require decisive strategic leadership.

Our role extends beyond legal advice. We help clients protect value, preserve commercial objectives and navigate critical business decisions.
